## CHAMPAGNE AND SPARKLING WINE

### POMMERY

Established in 1836, the house of Pommery is one of the most prestigious names in Champagne - a name that is synonymous with contemporary style, elegance and finesse. In 1874, they created the first commercially successful 'Brut' (dry) style at a time when Champagne was excessively sweetened with sugar. The Pommery Brut Royal NV is the signature style of the house

## GAUCHO ONLINE WINE SHOP

We are thrilled to be able to offer you a wide and varied selection of our in-restaurant wines to be delivered through our online wine shop. Whether you are stocking up for yourself at home, your office, a colleague, family member or sending a gift to a wine connoisseur or someone you once brought to Gaucho, we have something available for everyone.

Whilst our restaurants continue to serve some of the finest beef in the world, our wine offering has expanded to offer not only the largest selection of Argentinian wines outside the country, but also the finest global wines in the world. We work with a selection of hand selected wine partners to be able to bring you the very best and we pride ourselves on giving our guests the wines they know and love as well as introducing them to new and unusual varieties.

Our passion for Argentine wine led us to acquire our own vineyard in Mendoza, a stunning piece of land surrounded by ancient olive trees. We enlisted the help of one of Argentina's leading winemakers to help us create an exclusive range of Malbec wines to perfectly complement our food - and the result was a superb selection of 'Vina Patricia' wines. If you are struggling to choose, we recommend you start here as this is one of our most popular wines.

Choose from vast selection of red wine, rose wine, white wine and Champagnes.

## WHITE MALBEC

Bottle  
750ml

**OSADO 'WHITE MALBEC'**, Malbec 2019  
La Consulta, Uco Valley, Mendoza

£38.50

Convention challenging and highly interesting. To make this white wine from Malbec grapes everything is carried out extremely gently, so as not to extract colour and tannins from the dark red skins. The result is a refreshing white wine, with added richness and depth

'Criolla' varieties represent the foundations of grape growing in South America and are an essential part of Argentine winemaking heritage. Intrigued by their uniqueness and historical relevance, young Argentine winemakers are now rediscovering these varieties and a Criolla revival is well and truly underway. Most wines are produced specifically from the Criolla Chica sub-variety and the result is wines that are light in style, are refreshing and abundantly fruity - as true an expression of traditional Argentine wine as we can find today and, in many ways, a complementary antidote to Malbec
