SUSTAINABLE STEAKS

As part of our roadmap to becoming net zero, the beef offering in our venue is 100% carbon offset. Whilst we work to reduce our carbon footprint at source, we have partnered with the 'Not For Sale' charity to support carbon offsetting and reforestation projects in the Amazon, while simultaneously taking local people out of the risk of modern-day slavery

Steaks are served with chimichurri sauce and a choice of chips, creamed mashed potato or green salad
