# 100% ARGENTINIAN STEAKS

Gaucha serves the world's best steak. All our beef comes from premium Aberdeen Angus cattle that graze the vast Las Pampas in Argentina, feasting on 17 different species of lush grass. The cows live an outstanding free-range life, resulting in meat that is beautifully marbled with an incredible depth of flavour.

As part of our roadmap to becoming net zero, we are working on our vision of a regenerative supply chain. We work with our farmers in Argentina to reduce carbon emissions, regenerate the soil and support biodiversity. We have also partnered with anti-modern-day slavery charity 'Not For Sale', investing in reforestation projects that support carbon offsetting and providing income for vulnerable communities.

Steaks are served with any side and any sauce

more about allergen details

Please be advised that all our food is prepared in an environment where allergens are present. We will take every reasonable precaution when preparing your food, but there is the risk of potential cross-contamination of allergens. The allergen information identifies the known prescribed allergens within our dishes including if a dish 'may contain' an allergen. Please let us know if you have any allergies or intolerances including those additional to the core 14. The term 'may contain' is used to highlight where an allergen is not in a recipe or intentionally in a dish, but where the manufacturer of an ingredient believes that cross-contamination may still be a risk. Adults need around 2000kcal a day. All prices include VAT and a discretionary 12.5% service charge will be added to your bill.
