## SUSTAINABLE DRINKS

A hand selected offering of ever-growing sustainable drinks to support our pledge to become more environmentally friendly and carbon neutral

### SPIRITS

Two Drifters Distillery have created the world's first carbon-negative rum. They make versatile, well-rounded British rums whilst leaving as little impact on the planet as possible. Sapling Vodka have produced climate-positive vodka that plants trees, made with 100% British wheat. For every litre sold, a donation is made to our charity partner Not for Sale which plants two trees in the Amazon rainforest and takes victims out of danger of modern-day slavery. Nc'nean are an independent, organic whisky distillery on the west coast of Scotland, founded with a mission to create experimental spirits and pioneer sustainable production. Nc'nean are powered by 100% renewable energy and are the first distillery in the UK to be verified as having net zero carbon emissions for scopes 1 and 2

Please be advised that all our food is prepared in an environment where allergens are present. We will take every reasonable precaution when preparing your food, but there is the risk of potential cross contamination of allergens. The allergen information identifies the known prescribed allergens within our dishes including if a dish 'may contain' an allergen. Please let us know if you have any allergies or intolerances including those additional to the core 14. The term 'May Contain' is used to highlight where an allergen is not in a recipe or intentionally in a dish, but where the manufacturer of an ingredient believes that cross-contamination may still be at risk. Adults need around 2000 kcal a day. All prices include VAT and a discretionary 12.5% service charge will be added to your bill.
