100% ARGENTINIAN STEAKS

Gaucha serves the world's best steak. All our beef comes from premium Aberdeen Angus cattle that graze the vast Pampas in Argentina, feasting on 17 different species of lush grass. The cows live an outstanding free-range life, resulting in meat that is beautifully marbled with an incredible depth of flavour.

As part of our roadmap to becoming net zero, we are working on our vision of a regenerative supply chain. We work with our farmers in Argentina to reduce carbon emissions, regenerate the soil and support biodiversity. We have also partnered with anti-modern-day slavery charity 'Not For Sale', investing in reforestation projects that support carbon offsetting and provide income for vulnerable communities.

Steaks are served with chimichurri sauce and a choice of chips, creamed mashed potato or green salad
